Pre-Assessment Script and Stimuli

PEAK G Pre-Assessment Script and Stimuli Guide:

Place the booklet between the learner and the assessor. Open to the first assessment item, so that the script is in the assessor's view and the stimuli are in the learner's view. Assessment items with no visual stimuli will appear as a blank page. Items located in the Learner Response Booklet will be noted in the directions, and the corresponding page number in the booklet will be found in parentheses. Record the learner's responses on the *Assessor Script and Scoring Guide*.
